WORK EXPERIENCE

Senior UX Designer Mar 2021 - Present
Reason Digital Remote (UK)

- Human-centred UX and research for third sector organisations; accessibility and service design.
- Lead end-to-end discovery → prototype → delivery, turning complex policy/charity needs into clear deliverables (user journeys, IA, and design systems).
- Plan and run inclusive/trauma-informed research (surveys, interviews, moderated testing) with vulnerable users; translate insights into actionable backlogs.
- Champion WCAG-aligned patterns; partner with devs to ship accessible, performant UIs and measurable UX improvements.
- Facilitate workshops with stakeholders to align on problem statements, success metrics, and service blueprints.
- Mentor designers; improve team rituals (crits, design ops, reusable components) to increase quality and velocity.

Creative Director (Self-employed) Jun 2015 - Mar 2021
Jacob&Rufus Remote (Romania)

- Independent design practice delivering UX, brand and packaging design, often in collaboration with agencies.
- Partnered with agencies to provide design expertise for integrated campaigns and marketing activations.
- Built strong repeat relationships through reliable delivery and collaborative working style.

Creative Director (Asia Pacific Board) Dec 2012 - Apr 2015
Precedent Melbourne, Australia

- Studio leadership across APAC; digital product and service design for education, membership, and NFP.
- Directed the Australian creative practice; line-managed and grew a cross-functional design team.
- Shipped UX and brand-led platforms for RSPCA, Australian Red Cross Blood Service, Monash & Curtin University, AICD, Water Corporation, Perth Arena.
- Partnered with account and tech leads to land and deliver seven-figure multi-site programmes.

SUMMARY

Experienced UX/UI Designer with a strong background of delivery of complex digital experiences across a wide variety of digital clients. Skilled in interaction design, visual design, and user-centered design, I excel at translating user needs and business requirements into intuitive and scalable design solutions. Collaborative by nature, I work closely with brand and development teams to align digital experiences with brand standards while fostering a culture of evidence-based design. I have also spent several years managing creative teams and working at board level to convert creative vision into bottom line outcomes.
